New Patterns!

It isn't even possible to list the new patterns we received just since the first of the year. Plymouth Yarns has new patterns for each of the new yarns they've put in the spring line. We even have patterns for yarn they haven't shipped yet.

New Pattern Author!

Marge Butler, yes OUR Marge Butler, has become a pattern author with her first published pattern out now. It's a Felted Wool and Mohair Purse, and she's also teaching classes on it.

The classes are free, the only requirement being that students purchase the materials at our shop. Call Marge because there is limited class space.

The pattern is simply called The Felted Outback Purse (*Photo below*), and copies are \$3 each. The yarns are Plymouth Outback Wool, Outback Mohair and fancy trim of Plymouth 24K. It's knitted in the round and felted in the washing machine.

Marge's Second Published Pattern!

Here's Marge's second pattern, the ridged hat, Knit from Ironstone Fun (thick and thin yarn) and Plymouth Flash. The top above the ridge has a spiral pattern. Knitted on a #15 circular 16" needle. The pattern is \$3.00 and you can pick it up at the shop or we can mail it for \$3+S&H.
